ANNUAL REPORTS OF THE  
TOWN OF SEABROOK

NEW HAMPSHIRE

1997

"Seabrook Library"

SEABROOK, N.H.

For the Year Ending December 31st  
As Compiled by the Town Officers

### TOWN REPORT COVER

The new Seabrook Library which is located at 101 Centennial Street officially opened for business in December of 1994. This modern facility replaces the original Brown Library which had been located on 636 Lafayette Road and relocated to the new library site. This building is part of the new facility and is still in use.

The Brown Library was established in 1892 and donated to the Town of Seabrook on March 19, 1991, by the Brown Library Association.

## DEDICATION

VERNON G. DOW, SR.  
NOVEMBER 2, 1922 - APRIL 30, 1997

The 1997 annual town report is dedicated to Vernon G. "Mushy" Dow Sr., born on November 2, 1922, the son of Millwood S. and Charlotte M. (Fowler) Dow.

Mushy was a life-long resident of the Town of Seabrook and had two children, Vernon G. "Mushy" Dow, Jr. and Derek W. Dow.

He was a U.S. Army Veteran of World War II. He was a member of the Raymond E. Walton Post #70 American Legion and a charter and 50-year member of the Seabrook Fireman's Association.

Many years ago he owned and operated Mushy's Market and a recreational pool hall on Collins Street.

Mushy began his employment with the Town working in the cemeteries. In 1968 he became permanently employed by the highway department and was a park commissioner from 1971 to 1982. In 1982 he was elected as road agent, a position he held until his retirement in 1995. He is remembered as a man who thought very highly of his workers.

Mushy loved the Town of Seabrook and the residents. He enjoyed helping the townspeople in any way he could.

For several years Mushy volunteered his time to drive a bus for the Rand Memorial Congregational Church Sunday School and the Raymond E. Walton Post #70 Junior Auxiliary.

He was a generous, jolly man with a good sense of humor. He enjoyed cooking, traveling to the mountains and loved playing baseball. As a young man he played left field for the Seabrook AAA Baseball Team and it was said by some that he was known to be the "Babe Ruth" of his team.

# IN MEMORIAM

RICHARD PHINEAS BECKMAN

August 14, 1932 - December 21, 1997

Richard, the son of David Walter Beckman and Theodora Rowe was born in Seabrook at his life long residence of Railroad Avenue. He attended Seabrook Schools and Amesbury, Mass. High School. Richard was proud to have served his country in the U.S. Navy aboard the USS Wisconsin (BB-64) during the Korean Conflict. He later became a member of the Raymond E. Walton American Legion Post #70.

He worked as head of maintenance for the Seabrook Elementary School for 35 years. During this time he was also the Truant Officer and a Member of the Custodian's Association. After retiring in 1993, he co-owned and operated the Nellie B's Ice Cream Stand with his wife of 43 years, Nellie M. Souther.

Mr. Beckman served the Town as a Volunteer Fireman starting in 1947 and held every rank except chief. He was still an active Call Fireman with approximately 50 years of service. During this time he held the office of Deputy Forest Fire Warden and recently was the Seabrook Delegate to the NH Firemen's Association.

Richard started his part time employment with the Town on the Highway Department plowing snow. He held the elected position of Park Commissioner from 1964 through 1984, serving on the Board of Directors and the Building Committee of the Recreation Department. He was currently serving as Park Commissioner, elected in March of 1997.

He enjoyed outdoor activities ranging from recreation to work. He was always willing to volunteer his time for the community and his church.

Richard was loved by many and considered most folks as friends. He will be missed by friends, fellow firefighters and citizens of Seabrook. Mostly he will be missed by his family: wife, Nellie; daughters, Sophie and Melba; granddaughter, Nichole; grandson, Rio; and son-in-law, Jim Tilton.

## BOARD OF SELECTMEN/TOWN MANAGER - ANNUAL TOWN REPORT 1997

We are pleased to be able to provide you with the following report summarizing the events and activities of 1997:

We are continuing to grow both in residential and new businesses throughout the town. There were 87 building permits for new homes, along with an additional 6 building permits for businesses issued in 1997. We have approximately two hundred new lots pending either construction or approval before the planning board. The planning board has submitted warrant articles for the 1998 town meeting to update our master plan.

The water system continues to be chlorinated and it's understood that no one desires this type of treatment; however, we are required by state/federal law to chlorinate. In 1997, we started an additional treatment to minimize the discoloration of our water. The sequestering technique which we are using has been successful but we will have to continue as long as we have iron and manganese in the system. We are investigating a potential new well on Riley Road that could yield up to 500 gallons per minute. This new source needs to have a new well drilled and tests performed, which is on the warrant this year. We will continue our search for new sources of water.

In 1997, the New Hampshire Legislature approved 1.7 million dollars to fund the dredging of Seabrook/Hampton Harbor. This project also included correcting the erosion problem along River Street and repair the half-tide jetty in Hampton. The dredging will be completed this winter but under the old permit, which means that Blackwater River and parts of the harbor will not be dredged. The State Port Authority is developing a new harbor master plan that would include a new Army Corp. permit to expand the dredging.

In 1997, we started negotiations with the nuclear power plant officials to discuss the ramifications of the deregulation of the electrical power producers. This deregulation could impact the competitiveness and potential value of power plants in both negative/positive ways. We are continuing these negotiations and our objective is to obtain a long term stabilization of our tax base.

The board would like to encourage your participation in Seabrook's government. This can be accomplished by serving as a volunteer on many committees which town government has or attending meetings and voicing your input on how you would like to see us function. The office of the selectmen and town manager is here to serve you. Please let us know how we can improve our service.

Board of Selectmen

Respectfully submitted,

Oliver L. Carter, Jr., Chairman

## BUDGET COMMITTEE - ANNUAL TOWN REPORT 1997

Another year has come and gone. In early November the Budget Committee started weekly budget sessions to look at all department budgets for the upcoming year. It is the task of the Budget Committee to make sure departments bring forward factual proposals and also affordable to the citizens of Seabrook. The Committee consists of nine members. There are six members elected by the voters. There are three members of the Committee that are appointed. One representative from the Board of Selectmen, one from the School District and one from the Beach Precinct.

This will be our second year under the official ballot law. This is known as Ballot Law RSA 40:13, which lets every voter in town vote in March for election of town officials, the town budgets including schools and beach precinct operating budgets and all warrant articles. The main purpose for this ballot law is to have all voters have the opportunity to vote on issues instead of holding the traditional town meeting where just a small number of voters controlled the issues at hand.

The days of town meeting as we knew it are gone. The meeting set-up now is in mid-January, the Budget Committee holds a public hearing on the budgets and the warrant articles. This meeting is an informational meeting to inform the voters what is before them. In early February there will be a meeting in front of the town. This meeting is known as the deliberative session. At this meeting the voters have the right to increase, decrease or leave alone the budgets and warrant articles as presented to them. From this meeting the budgets and warrant articles go forward with the amendments if any, to the voters on Tuesday, March 10, 1998. When the town votes on this day, their duty is to vote for or against the proposed budgets and warrant articles. If the vote for the operating budget ends with the majority voting against, this would put the town or school under what is known as the default budget. To define what a default budget is - the budget would be the same as the previous years operating budget amount with certain automatic increases. Examples would be: contractual raises, leases, contracts for goods and services and debt service on bond issues. However, the law allows the town or the school to hold an additional meeting to try to get understanding of the proposed budgets or can accept the vote and work under the constraints of the default budget.

During this past year, our state governing bodies made changes in RSA 40:13, one being the time frame for the process. In the spring of 1997, voting was held in April. Now, voting is moved back to March. RSA 40:13 is a working document and will probably have more changes to come in the future. As a Budget Committee, we will work very hard to inform the public of the issues before us. Please take the time to become informed with the issues and the budgets to come in front of the voters on March 10, 1998.

#### **ENHANCED 911 COMMITTEE - ANNUAL TOWN REPORT 1997**

Progress continues on the Enhanced 911 project. Initial mapping items related to street names and locations have been completed and are due to be submitted to the State soon. After the mapping bureau in Concord completes these revised maps, the numbering phase will begin with more detail. This process should be completed in 1998.

If you have any questions or concerns related to the E-911 system, feel free to contact the town office or any committee member.

Respectfully submitted,

Jeffrey Brown, FPO  
Robert Moore, CEO  
Robert Quinn, Appraiser  
Emily Sanborn, Clerk  
Thomas Pike, Beach Precinct Representative

#### **WELFARE DEPARTMENT - ANNUAL TOWN REPORT 1997**

For the fiscal year 1997, the Town's Welfare Department spent a total of \$42,870.19, a savings of \$24,062.00 over 1996. A total of 89 families were assisted in 1997, and the Town has recovered \$5,702.56 through promissory notes, assignments, court actions, and liens. An additional \$638.40 has been worked off by recipients through the Town's Workfare Program.

With the changes which have begun to take place in the State and Federal programs a number of things have been happening in an attempt to make this office run more efficiently. Among these were the addition of 10 office hours per week which allows more investigative time per case, revisions of the Welfare Rules and Regulations, the adoption of maximum allowable expense guidelines and the creation of **Seacoast Link** in February 1997. **Seacoast Link** is a transportation program started through the cooperative efforts of the Seabrook and Hampton Welfare Offices and Richard Ford of Regal Limousine, which assists residents in complying with requirements placed on them by the NH Department of Health & Human Services and allows greater accessibility to State programs. This program was begun with a two month gift of services by Regal Limousine, has since been kept running by grant money throughout 1997 and has been a very important tool in keeping the local costs down.

Deirdre L. Greene  
Welfare Administrator

## **TOWN OF SEABROOK SCHOLARSHIP FUNDS - ANNUAL TOWN REPORT 1997**

The Scholarship Funds Committee met at the town office on April 28 and April 29, 1997. After reviewing the applications, awards were given to twenty five (25) applicants. Thirteen (13) of these were presented at awards night at the Winnacunnet High School and twelve (12) recipients were notified by mail.

Respectfully submitted,

Members:      Vernon Small, Chairman  
                 Everett Strangman  
                 Arnold Knowles

## **STREET LIGHT COMMITTEE - ANNUAL TOWN REPORT 1997**

The Street Light Committee has received several applications for street lights during the year. The requests were made by residents in various sections of the town. All areas for which the lights were requested were checked and recommendations were made accordingly. Several new lights were installed due to these requests.

All streets were traveled sometime during the year checking on lighting conditions. Each time a tour was made, a report was submitted to the town manager/board of selectmen.

At the 1993 town meeting, it was voted to convert the present lighting system to the sodium vapor lights. The project should have been completed some time ago, but on our last tour we found that a few had not been changed. We hope the project will be completed in early 1998.

We hope to continue to serve our residents in a favorable manner and keep our town well illuminated.

Respectfully submitted,  
E. Albert Weare, Chairman  
Marion B. Kinlock  
Charles Kaslow

## **THE SEABROOK BEACH CIVIC ASSOCIATION - ANNUAL TOWN REPORT 1997**

The Seabrook Beach Civic Association became a reality at a kick-off meeting in August. It was established to promote betterment issues that will enhance the livability of Seabrook Beach. An interim board of volunteer officers took up duties in November and has been joined by committee chairmen to set up an agenda for 1998. Safety and beautification issues have top priority right now.

Membership is open to any resident of Seabrook Beach including property owners and seasonal residents. An annual meeting will be held in April to elect officers for the following twelve months. A newsletter will be going out in January to all Seabrook Beach property owners. Membership and a \$10.00 annual dues will be solicited and a form to request an absentee ballot from the town office for town elections will be included.

## SEABROOK BEACH VILLAGE DISTRICT - 1997 ANNUAL REPORT

1997 has proven to be a very active year for the Village District in a number of areas. During a public meeting this year the future of the Village District was laid before residents, specifically whether to continue as a separate entity or to dissolve. Resident response was loud and clear in that they desired the Village District to continue. Further, the meeting served as the springboard for the formation of several resident groups to address issues of concern to the community. These groups have continued to meet on a regular basis and have encouraged further resident involvement.

Charles Kaslow stepped down as Commissioner to serve as the interim building inspector following the departure of the prior building inspector. Thomas Pike has replaced Charles on the Board and the Commissioners thank him for his willingness to serve his fellow residents. During 1998 the renovations to the precinct building are expected to be completed which will enable use of the space to generate income for the District. 1997 saw fifteen cases come before the Zoning Board of Adjustment for a variety of issues. The Board is currently defending an appeal of a denial by the Board in the case of an expansion of a non-conforming use. Given the increased level of construction activity since sewer connections have begun it is anticipated that the case load will remain at its current level or increase. The Board has drafted and anticipates adoption of a set of by-laws in early 1998.

Municipal sewerage at the beach has resulted in increased construction activity. The building inspector's office issued 97 permits through December 8, 1997 with a total value of \$1,654,474. These numbers reflect a 73% increase in the number of permits issued and a 167% increase in project values from 1996. Unfortunately, along with the increased construction activity we have found the need to pursue several zoning violations which are currently in process. Resident Ken Bouchard has provided legal services on a pro bono basis to assist the Village District in several enforcement actions, the Board of Commissioners wish to thank him and his associate Robert Lietz for their efforts.

Respectfully submitted,  
Thomas E. Battles, Chairman Board of Commissioners

We now have three (3) para-medics fully trained and certified on board. These firefighters finished the top three (3) in their class and are at the highest level of pre-hospital care for ambulance personnel. They have proven their worth already. I thank the townspeople for their support in getting this training and equipment that made this a reality.

E-911 has been on line through-out the state now for two years and we still have problems with house numbering. I stress to you how important it is that you get your property correctly numbered allowing us to quickly respond to the correct location when the need occurs. Check with the town office to be sure your number is correct and get them on your house.

The Seabrook Fire Department thanks you for your continued support throughout the year 1997. I personally would like to thank all of the personnel of the fire department for their support and dedication to strive to do their best at all times.

Respectfully,  
Jerry W. Brown, Fire Chief

## POLICE CHIEF - ANNUAL TOWN REPORT 1997

The year 1997 was one of challenges for the Seabrook Police Department. The most important was the default budget and living within its constraints. The second was the diverse type of crimes that we investigated.

I believe that the people spoke clearly on the budget and therefore we tightened our belts and made do with what was allocated. The biggest problem was with our cruisers which had over 100,000 miles and our warranties had expired. When this happens all repairs have to be paid in full which quickly depletes our cruiser maintenance account. We are confident that 1998 will see new cruisers on line both from the budget stand point and officer safety. Some of these cruisers are running 24 hours a day, 7 days a week and are driven by 20 different drivers. It takes its toll on any vehicle.

The crimes we investigate have become more and more violent in the past years. With the growth of the Route 1 corridor we are getting a lot of out of state criminals. Progress is good in some ways, bad other ways.

Our Crime Line number is 474-2640. Remember, this is a secured and untaped line and calls will be taken through for any information that you, the resident can provide, to assist your police department in apprehending criminals or preventing crimes.

I personally would like to thank the residents and members of the police department for their continued support of myself, the department and the town.

Respectfully submitted,

Paul J. Cronin  
Chief of Police

**EMERGENCY MANAGEMENT - ANNUAL TOWN REPORT 1997**

This office had a quiet year without any situations that required emergency assistance during 1997. The state has been kept up-to-date and we have maintained a highly efficient means of communication and the process of updating the town's basic emergency management plan. Survey forms for special needs people can be obtained at the town office. It would be helpful if this information was kept current for our records.

I would like to thank the board of selectmen, town manager and all the departments that are involved with emergency response. I would also like to thank my staff of volunteers for their continued time and assistance in making this a well organized and efficient emergency management department.

Respectfully submitted,

Ernest B. Sanborn  
Emergency Management Director

## CONSERVATION COMMISSION - ANNUAL TOWN REPORT 1997

It has been a busy year for the Conservation Commission. In January we began to write a grant application for a study of the Cains Brook Watershed. This grant would make possible the initial phase of a multi year project to restore the watershed and the accompanying ponds to inhabitable depths and conditions.

This was a real learning experience for the members of this Commission, being the first grant the current members have applied for. Several days before the applications's due date, we had to rewrite the grant application and submit it as a request from the Town of Seabrook and the Board of Selectmen. The reason for the rewrite was because we were not successful in receiving permission to establish a conservation fund on the town warrant ballot. Without this fund the Conservation Commission cannot legally apply for grants, accept gifts, or do any form of fund raising. We would like to thank the Board of Selectmen for supporting us, thereby making the Cains Brook Watershed Study grant a possibility.

In May we received notification that the Cains Brook Watershed grant had been approved. It was a non-matching fund grant for just under five thousand dollars. By the beginning of July we had purchased the necessary equipment and our first set of water samples were collected on July 15, 1997. Through the summer and early fall we visited 21 locations and took water samples from all of the locations at least six times. By the time the project wrapped up in December over 400 volunteer hours had been logged.

During November and December our findings were presented to the New Hampshire Estuaries Conference and the Seabrook Board of Selectmen. Additionally, several articles about the project were published in the local newspapers. If you are interested in learning more about our study, the Seabrook Library has a copy of our final report.

Philippe Maltais, Chief Operator of the Wastewater Treatment Plant volunteered to assist us in our study. He helped to train the volunteer data collectors, be a member of one of the data collection teams and perform several water tests that required lab equipment and know how. Additionally, our equipment was stored at the Seabrook Wastewater Treatment Plant. Thank you Phil, Curtis and Ralph for being so helpful and assisting with our project.

Memorial Day weekend brought us another pleasant surprise. Piping Plovers were again nesting in the dunes on Seabrook Beach. This was the first known sighting of Piping Plovers nesting in our dunes in over a decade.

The Conservation Commission, with cooperation from the Board of Selectmen, posted signs at the access paths to the beach informing the public of the nesting sites and suggesting proper behavior around the "nursery." Between three and five chicks made it to the fledgling stage. Several of the Conservation Commission members volunteered to be "nest watchers." This entailed many visits to the nesting area to observe the progress of the birds and their chicks, informative contacts

with the beach visitors and on a few rare occasions imply suggestions of enforcement of the Federal Endangered Species Act. We feel the return of Piping Plovers to Seabrook Beach demonstrates the success of the dunes restoration project.

It appears the dredging of Seabrook Harbor will be a reality. The Conservation Commission has written several letters of support for the project. Hopefully, by the time you read this the dredging will be well underway. As usual, the final approval of the dredging was not all we had asked for but we will accept what is offered and consider it "phase one."

The fall of this year has presented the Conservation Commission with yet another extensive project and accompanying grant requests. We will be working with both State and Federal agencies on a saltmarsh restoration project. Our ultimate goal is to eradicate phragmites and other non-native species from our saltmarshes. If we are successful, the future for our saltmarshes and the diverse forms of life they support and produce should be greatly enhanced.

During November, the Commission began to discuss the possibility of establishing a town forest. Several members have begun compiling information on potential site locations and have begun to research the logistics and legal aspects of establishing a town forest.

Throughout the year, the Conservation Commission has been represented at a variety of conferences, seminars, design charettes, workshops and other functions. We now have one of our members sitting on the board of advisors for the proposed redesign of the aquaculture research and education center facility. The new complex is to be constructed on a portion of the commercial dock land owned by the Town of Seabrook.

This year the Conservation Commission will again be asking the townspeople to approve the establishment of a conservation fund. Without your approval the Conservation Commission is extremely handicapped. The establishment of a conservation fund will allow us to seek grants, accept donations, do fund raising events, such as fishing derbies and plant sales; and last but not least, to function as a financially supported Commission.

The Conservation Commission now meets on the second Monday of the month at the Seabrook Town Hall, at 7:00 p.m. The public is always invited to attend. We look forward to an exciting and busy year.

#### DEPARTMENT OF PUBLIC WORKS - ANNUAL TOWN REPORT 1997

On behalf of all employees from the Department of Public works, we would like to dedicate this report to Vernon "Mushy" Dow and Richard Beckman, both of whom passed away in 1997. They served this department and the town well for a number of years. We will all surely miss them.

The department had another active year. The highway crews installed new drainage and upgraded old drainage systems throughout the town. They also helped the sewer department install sewer "household hookups."

The growth in population gave way to a very large spring clean-up. We changed the way we perform clean-up this year and it worked out well. Other projects included: beach raking, sign replacement, roadside brush cutting, clean-up and restoration of yards after sewer hookup and road shouldering.

The Transfer Station and Recycling Center experienced an increase in activity. The amount of municipal solid waste (MSW) that we disposed of at Ogden Martin fell nearly 80 tons. The decrease was encouraging due to added homes in the town. The reduction was largely due to an increase in recycling. The breakdown of recycled items are as follows:

Newsprint & Cardboard	=	271.42 tons
Glass	=	81.14 tons
Plastic	=	23.20 tons
Aluminum/Steel Cans	=	37.84 tons
Scrap Metal	=	204.37 tons
Tires	=	<u>49.18 tons</u>

**TOTAL**

**667.15 Tons**

The park commissioners and cemetery crews were very busy. Four additional veteran monuments were added in town this year. All crews did a considerable amount of clean-up, mowing, trimming, fertilizing, painting and a host of other necessary repairs throughout the fields and cemetery grounds.

We regretfully accepted the resignation of Lee Brooks from our

mosquito control program this year. Lee was the town's mosquito control supervisor for the past 13 years. In his absence, the town temporarily contracted with Dragon Mosquito Company to perform the needed services. We anticipate a new supervisor for the 1998 season.

I would like to again thank all the DPW employees for the tremendous amount of work they performed during this year. We would also like to thank the water and sewer department for their assistance throughout the year.

Respectfully submitted,

Mark S. Eaton  
Public Works Manager

#### **WATER & SEWER DEPARTMENT - ANNUAL TOWN REPORT 1997**

There were 534,546,428 gallons of water pumped in 1997. This was a 49,865,378 gallon increase over the previous year. Industrial-commercial use increased from 132,235,240 in 1996 to 156,835,690 in 1997. This 24,600,450 gallon increase can be attributed to the Nuclear Power Plant, K.J. Quinn, Bailey Corporation and Yankee Fishermen's Cooperative, Inc. who each increased their use 13.8, 11.7, 3.2 and 1.2 million gallons respectively.

There were approximately 102 new services added to the water system. The department installed 24 of them. Five new metered accounts were also added, Majestic Laundry Center LLC, 492 Lafayette Road; LRS Investment Trust, 5 Batchelder Road; Tyler Machine Tool Co., Inc., 111 Ledge Road; Pine Street Realty Trust; and Pro-Wash, 495 Lafayette Road.

Nine new sub-divisions were constructed this past year. The crew observed the installation of thousands of feet of water main, hundreds of water services and several fire hydrants on Seabrook Shores, Greenleaf Drive, Charlotte Circle, Eaton Lane, John Street, Granddaughter's Way, Dandiview Acres, Lorraine Lane and Myrtle Terrace.

Several water leaks were repaired by the crew. The larger of these occurred with a six inch break on Pine Street and Ledge Road and an eight inch break at the intersection of Portsmouth Avenue and Hooksett Street. Two are hydrants that were hit by motor vehicles and were replaced. One was replaced on Ledge Road the other on South Main Street. Also two roofs at the True Road pump stations were reshingled. Our crews installed sodium hexametaphosphate pumps and equipment at eight wells and also installed chlorine monitoring equipment at all wells. This equipment also sends high and low level alarms to the police station while shutting down the particular pump.

A potential new well site was discovered at our well field off Ledge Road. More tests are needed to prove this site's potential of approximately 650 gallons per minute.

The sewer crews have also been busy. These crews, at times, have also included highway and water department workers. These crews have

installed hundreds of connections and several small pump stations. Also the crews have installed larger mains and manhole structures at: Seabrook Mobile Village, Pinecrest Shores Condominium, Leisure Living and Christopher Manor Apartments, Kimberly Drive and Twinbrook Camp Ground just to mention a few.

This summer we sent divers down at the end of the ocean outfall discharge pipe to open the rest of the discharge nozzles. One member of our crew assisted in these dives, George Eaton. This was accomplished to accommodate the increased flows, which average 500,000 gallons per day. So far the wastewater treatment plant has processed 600 tons of solids which have been hauled off site. To date about 66% of our town has been connected to the sewer system.

I would like to take this opportunity to thank the sewer, water and highway department personnel for the outstanding work they accomplished in 1997. I would also like to thank everyone who cooperated with observing our partial water ban on the outdoor use of water during the summer months. This only allowed outdoor use of water three hours per day between 6:30 a.m. to 8:00 a.m. and 6:30 p.m. to 8:00 p.m.

Remember - water is a precious and useful resource and should be used wisely not wastefully. Conserving water is everyone's responsibility.

Respectfully submitted,

Warner B. Knowles  
Water & Sewer Superintendent

#### **SEWER CONSTRUCTION PROJECT - ANNUAL TOWN REPORT 1997**

The Seabrook Sewer Project continues in the final hookup phase of construction. As of the end of 1997, approximately 2000 houses and businesses are connected to the sewer.

House connections to the sewer are scheduled in seven phases. Work is progressing as follows:

Phase I	South Main Street	98% complete
Phase II	Business users	98% complete
Phase III	Beach	90% complete
Phase IV	Central Seabrook	75 % complete
Phase V	North Seabrook	summer/1998
Phase VI	Northwest Seabrook	fall/1998
Phase VII	Southwest Seabrook	winter/1998-1999

Preceding the hookup to the property, the town will prepare a design of the connection. This design will be forwarded to the owner with an application form for signature. The sewer service will then be installed by the Town Sewer department crews.

Prior to any hookup, a plumbing inspection of the building will be performed to insure that all vents, traps, and cleanouts are properly installed. The Town Sewer Office will coordinate the plumbing

inspection schedule with the property owners. Owners will be notified of the results of the plumbing inspection. A report will be mailed to the owner. A final plumbing inspection will be performed prior to the connection to the sewer to verify that necessary corrections have been made.

Two sewer policies have been adopted by the Town as follows:

1. An individual homeowner may elect to hire his own contractor to install his service at a set fee for reimbursement.
2. Individual home septic systems which are failing will be pumped by the Town for free until the home is connected to sewer.

For more information on these policies or any other questions, please contact the Sewer Office at 474-5601.

We appreciate your continued patience with the Town as we work towards the connection of the remaining 1000 properties to the new Seabrook sewer system.

Respectfully submitted,

John Dold  
Project Manager

**OFFICE OF CODE ENFORCEMENT - ANNUAL TOWN REPORT 1997  
BUILDING INSPECTOR**

In 1997 building permit fees were increased by the Board of Selectmen to cover the cost of the operation of the Building Department. This was the first increase since 1974. The total number of building permits increased by over 20% this year and the estimated cost of construction has more than doubled to \$13,443,158.

The increase in new homes continues with over one hundred new living units approved this year (family apartments, single family homes, duplex units, and mobile homes). With the approval of three new subdivisions, plus the remaining lots to be developed in Seabrook Shores Estates, the building units for 1998 should continue at this rate.

One new commercial building was started for a car wash at the corner of Pine Street and Route 1 and should be operational by the time of this report. The construction of four new industrial buildings were started this year with the completion and occupancy of Tyler Machine and LRS Environmental. Oh No Realty Trust and Corium are still under construction. I would like to take this opportunity to thank the residents for their cooperation in the building permit application and inspection process.

**OFFICE OF CODE ENFORCEMENT - ANNUAL TOWN REPORT  
HEALTH OFFICER**

There has been a large increase in failed septic systems this year. Residents are still waiting to be connected to the town sewer system. Hopefully the sewer connections will be completed in 1998.

The Health Department is now involved in the Town's Wellhead Protection Plan. This plan will monitor any potential pollution sources near our wells and aquifer.

There has also been an increase in animal bites this year. I would like to remind all pet owners, that the rabies problem is still with us. Animals must have up-to-date shots and be properly restrained.

### PLANNING BOARD - ANNUAL TOWN REPORT 1997

Throughout the past year the Planning Board has again seen a tremendous amount of applicants. This is directly attributed to the reductions of the dimensional requirements. Because of this change, the number of subdivisions along with lot line adjustments is consistently increasing. On the other hand, the number of site plan reviews and condo-conversions has decreased.

This year the board viewed eighteen subdivisions plus two more that are to be reviewed on the January agenda. Of these eighteen cases reviewed, there was one application requesting fifteen lots. The remainder of the applications were relatively small with none exceeding ten lots. The Board also was asked to consider eleven lot line adjustments.

The Board has recommended the updating of the Town's Master Plan and with your help this can be accomplished. It is our hope to get an early start on this update, as our current master plan expires in the year 2000. I am certain that the new millennium will be a great challenge to all the board members, and this plan will help to insure the health and well being of the citizens of the Town of Seabrook.

In closing, I would like to take this opportunity to thank and congratulate the members of the board for their time and a job well done. I would also like to thank Town Planner Tom Morgan and CEO Robert Moore for all of their expert advise and for keeping us on the right path.

#### BOARD OF ADJUSTMENT - ANNUAL TOWN REPORT 1997

Your Seabrook Zoning Board of Adjustment was very active in 1997, with over 30 cases presented and heard.

During the year, ZBA members also attended the NH Law Lecture Series and other seminars to remain current in the ever-changing laws and recent court cases which affect our community's land use and rulings on zoning adjustments within Seabrook.

All board members donate their time and efforts to these non-pay positions; however, with over twice the number of cases heard this year we were under-budgeted in 1997 for required administrative costs.

The board members wish to extend our most sincere sympathy to the family of William Kelley on his untimely passing. His dedication will be missed.

Respectfully submitted,

Robert C. Lebold, Chairman  
Charles Kaslow, V. Chairman

## 1997 ANNUAL REPORT OF THE SEABROOK RECREATION COMISSION

*The 1997 members of the Seabrook Recreation Commission: Vernon Small, Chairman; Oliver Carter Jr., Selectmen & Vice Chairman; Charlotte Dow, Secretary; Rosemary Fowler, Parks Department; William Knowles, Planning Board; Sheryl Maltais, Ralph Marshall, Shelly Carter and Salvatore Rubera. Susan Foote was appointed in November as the Planning Board representative. Administrative Staff: Sandra Beaudoin, Director of Recreation; Edward Pickard, Assistant Director, January through May 8<sup>th</sup> and Derek Griggs, Assistant Director starting in May.*

### CHANGES IN 1997

The Recreation Department went through various changes during 1997, including changes in full-time staff and the introduction of program fees. Edward "Ted" Pickard, retired after twelve and one half years as the Assistant Director. The staff, volunteers and friends gave him many farewell and good luck parties in May. He is enjoying his retirement in Maine and continues to give of himself to the community as a volunteer coach for a variety of sports teams. Derek Griggs was hired as the new Assistant Director and brought with him skills in soccer and lacrosse. He also worked for the YMCA in Newburyport.

Another change was the addition of small program fees for most structured programs. A five-dollar per week fee was initiated within the summer camp programs. The largest fee paid per child was \$36 for six weeks of camp ranging from a two to five day schedule. The next change was in the fall programs where a program fee was charged for specialized programs such as gymnastics, cooking, crafts and etc. The reason for the new fees was to help offset the budget with small user fees. The current costs range from 50 cents to one dollar per class. In many communities fees are from 3 to 6 times higher for the same or similar programs. These fees will help offset monies raised through taxes.

In 1997, the only major repair to the Community Center involved replacing all shingle roof areas with 40-year architect shingles. Most repairs had to be postponed such as the brick walkway, installing light fixtures, changing worn carpet and replacing a corridor tile floor, due to the 1997 default budget. The brick walkway will be replaced in 1998.

SEACOAST COCA-COLA IN 1997

Seacoast Coca-Cola Bottling Co. continues to be the leader in supporting youth & teen programs. During 1997, the company provided beverage products, prizes and \$1,500 in sponsorships.

1997 SEABROOK OLD HOME DAYS

The 1997 Seabrook Old Home Days were again a success and filled with entertainment and fun. The 17<sup>th</sup> annual Miss Seabrook Contest opened the Old Home Days on Thursday, August 14<sup>th</sup> where over two hundred and thirty five people witnessed Kelly Evans being crowned the 1997 Miss Seabrook. The 2<sup>nd</sup> Little Miss Seabrook, Ashley Saracy, was also crowned that night. On the following night, Briah Boggs was crowned Jr. Miss Seabrook. On Saturday, August 16<sup>th</sup> local non-profit groups, town departments and others provided food, crafts, contests, entertainment and more. The fireworks were great as always and Sandy & the Classics Band entertained all the country music fans. A large number of residents attended in spite of the hot temperature that day. On Sunday, August 17<sup>th</sup> the Seabrook Lions Club held the OHD Turkey Shoot as in the past.

In conclusion, the commission and department staff, gratefully extends a special thanks to all those volunteers who shared their time and put forth much effort for the youth of Seabrook during 1997. Local volunteers were responsible for coaching over 40 sports teams for youth & teens.

Respectfully submitted,  
Seabrook Recreation  
Commission and Staff

## SEABROOK LIBRARY - ANNUAL TOWN REPORT - 1997

Nineteen ninety-seven saw library membership increase more dramatically than ever before. Circulation, or the number of items loaned, climbed to a record 31,569 and the number of customer visits rose to a remarkable 32,292 - increases over the previous year's figures of 10% and 28% respectively! (Please see charts at end of report.)

The Library at last completed its journey toward full computer automation, although there is still more work to be done, and as part and parcel of that effort began re-registering all users and issuing handsome, brand new library borrowers' cards. Lessons on "surfing" the Internet were offered throughout the year to those interested and proved to be very popular. The six public access computers were kept busy by adults and young people alike - indeed, waiting lines were often the norm.

During the year, several ongoing programs were continued such as the monthly Friday Poetry Evenings and the Book Discussion Group. The Friends of the Library again sold the ever-popular glow necklaces during the fireworks display at Seabrook's Old Home Days. Additionally, during the Library's Annual Book Sale in August, the Friends held a Bake Sale. Thanks are once again due Friends Denise Favaloro and Terry Amato for all of their organizational efforts in these regards. The Library's newsletter, *The Seabrook Library Book\*Report*, dormant for several years, also resumed publication with a well-received fall edition.

Adult programming included the two oft-contentious programs on Tarot and Numerology which were finally held, as were two Christian programs offering opposing points of view given by Dr. Richard Lovelace and Reverend Donna Hailson. Other programs on Celtic music and bicycling across the country were also offered. Additionally, the year 1997 saw Jennifer Haven join the Library Staff as a part-time Adult Services Librarian. She currently concentrates her efforts on Reference and Circulation work, and she also lends a hand working with young adult patrons and the Library's computers.

The Library's Young Adult Department was also busy. Many programs were held for this age group during the year, including a Mystery Night, a film series, and concerts given by local bands. Also held were the weekly YA Cafe and the very popular "After School Activities" series. A program, designed for parents and entitled "Smart Surfing", which helped adults learn to better guide their children safely through cyberspace, was given twice during the year.

The Children's Room held two successful summer reading programs entitled "Take Me To Your Readers" for grades 1 - 4, and "Rocket Readers" for ages 3 - 6. Special events for children included performers Debbie O'Carroll, Nancy Sweeney, and long-time local favorite Papa Joe. Program topics included dinosaurs, birds - with the Audubon Society, a cookie contest, and rainforest animals. Halloween saw the Library become the place to be for kids - for costumes, for treats, for a few fun tricks and for a really good time.

In April Eric N. Small was elected to the Board of Trustees succeeding Patricia M. O'Keefe, who retired. The other Board members are Norman H. Brown and Stanley A. Hamel.

The Seabrook Library is open Mondays, Wednesdays and Fridays from noon until 8:00 PM; on Tuesdays and Thursdays from 10:00 AM until 6:00 PM; and on Saturdays from 9:00 AM until 1:00 PM. Telephone: 603-474-2044; Fax: 603-474-1835; e-mail/Internet: ocean@sealib.org. Visit, call, fax, write us - e-mail or snail mail. Join your friends and neighbors in using your public Library.

Elizabeth G. Heath,  
Director

THE STATE OF NEW HAMPSHIRE

TOWN OF SEABROOK

TOWN WARRANT FOR 1998

To the inhabitants of the Town of Seabrook, in the County of Rockingham, in said state, qualified to vote in town affairs:

You are hereby notified to meet in the auditorium of the Seabrook Community Center, U.S. Route 1 (Lafayette Road), on Thursday, February 5, 1998, at 7:00 o'clock in the evening to participate in the first session of the 1998 Annual Town Meeting;

And, you are hereby notified to meet in the auditorium of the Seabrook Community Center, U.S. Route 1 (Lafayette Road), on Tuesday, March 10, 1998, at 7:00 o'clock in the forenoon and to cast ballots on the official ballot questions below, until at least 7:00 o'clock in the evening of the same day.

Further, you are hereby notified that the moderator will process the absentee ballots at 1:00 o'clock in the afternoon on Tuesday, March 10, 1998, pursuant to RSA 659-49.

**Article 1:** To elect by non-partisan ballot: one (1) Selectman and Assessor for a term of three (3) years; one (1) Fire Chief for a term of three (3) years; one (1) Moderator for a term of two (2) years; one (1) Supervisor of the Checklist for a term of six (6) years; two (2) members of the Budget Committee for a term of three (3) years; one (1) member of the Budget Committee for a term of one (1) year; one (1) member of the Planning Board for a term of one (1) year; two (2) members of the Planning Board for a term of three (3) years; one (1) Park Commissioner for a term of three (3) years; one (1) Park Commissioner for a term of two (2) years; one (1) Trustee of the Trust Funds for a term of three (3) years; three (3) Constables for a term of one (1) year; and one (1) Trustee of the Library for a term of three (3) years.

**Article 2:** To see if the town will vote to amend Article II of the Zoning Ordinance, as proposed by the Planning Board, as follows:

A) Replace the existing definition of **Accessory Building** with the following: *"A building whose purpose is subordinate to that of the main building. It may be separate from or attached to the main building. For the purpose of this ordinance, a garage or a carport that is attached directly to the main building by a breezeway shall be regarded as an integral part of the main building."*

B) Replace the existing definition of **Building** with the following: *"Any permanent structure occupied or intended to shelter any occupancy. For the purposes of this ordinance, a multi-unit building, with or without firewalls, shall be considered one building."*

C) Add the following to the definition of **Family Apartment**: *" , the area of said apartment not to exceed 750 square feet."*

**Article 3:** To see if the Town will vote to amend Article VI (Table 2) of the Zoning Ordinance, as proposed by the Planning Board, by adding the following footnote to *Side & Rear* (minimum setbacks):  
*"On corner lots where the side yard abuts a street, the side yard shall be subject to the minimum setback requirements for front yards."*

**Article 4:** To see if the Town will vote to amend the Zoning Ordinance, as proposed by the Planning Board, as follows:

A) Add the following definition to Article II of the Zoning Ordinance: *"Wetlands means an area that is inundated or saturated by surface or ground water at a frequency and duration sufficient to support a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands include, but are not limited to, swamps, marshes, bogs, and similar areas. Wetlands shall be delineated on the basis of hydrophytic vegetation, hydric soils, and wetlands hydrology, in accordance with the techniques outlined in the Corps of Engineers Wetlands Delineation Manual (January 1987)."*

B) Add a new Article XVI to the Seabrook Zoning Ordinance, to be entitled "Wetlands", as set forth below, and re-number subsequent articles accordingly:

*"A - Purpose: to protect the larger expanses of wetlands in Seabrook, to minimize flooding, to protect wildlife habitats, to protect groundwater quality, and to prevent damage to structures and property."*

*"B - Minimum Lot Sizes: Wetlands shall not be utilized to satisfy more than 20% of the minimum lot size requirement specified in Article VI of this ordinance. Tracts of land which were less than five acres as of January 1, 1998 are exempt from this requirement."*

**Article 5:** To see if the Town will vote to amend the Zoning Ordinance, as proposed by the Planning Board, as follows:

A) Add the following definition to Article II:  
**"Telecommunications Facility:** any structure, antenna, tower, or other device which provides commercial mobile wireless services, unlicensed wireless services, cellular phone services, specialized mobile radio communications (SMR), personal communications service (PCS), and common carrier wireless exchange access services."

B) Amend Table 1 in Article V by permitting **Telecommunications Facilities** in Zones 1, 2 & 3, subject to a footnote to read as follows: *"permitted only on land west of I-95 and within 3,500' of the centerline of I-95. These facilities are subject to the provisions of Article XVII".* (Telecommunication facilities are to be prohibited east of I-95, and at locations more than 3,500' west of I-95.)

C) Add a new Article XVII, to be entitled **Telecommunications Facilities**, as set forth below, and change the current Article XVII's designation to Article XVIII:

**A - Signs:** Telecommunication towers shall not contain signs or graphic representation of any kind.

**B - Fall Zone:** A circular fall zone shall be depicted on the site plan. The radius of said zone shall equal the height of the proposed tower. This zone shall not include any buildings or public ways. Easements shall be required if the fall zone extends onto other properties.

**C - Evidence that Co-Location is not Feasible:** If a new tower is being proposed, the applicant shall submit evidence which is satisfactory to the Planning Board, that no existing structure can accommodate the applicant's antenna(s).

**D - Cooperation:** An applicant proposing to build a new tower shall submit a binding agreement which provides for the maximum allowance of antenna co-location on the new structure. This agreement shall obligate the applicant to supply antenna co-location for reasonable fees and costs to other telecommunications providers. Failure to provide an agreement that is satisfactory to the Planning Board is grounds for denial.

**E - A Bond** shall be submitted by the applicant to cover the costs of tower removal in the case of abandonment. The applicant shall submit a written agreement, the terms of which are to be satisfactory to the Town of Seabrook, which governs the bond.

**F - Abandoned Telecommunications Facilities** are those which have not operated for a period of twelve consecutive months."

**Article 6:** On petition of Lorraine D. Fogg and twenty-nine (29) other legal voters of the town: "Are you in favor of amending the town zoning ordinance by increasing the area of the commercial zone which now extends 500 feet from the corner of Route 107 down the westerly side of Stard Road, by increasing said commercial zone another 1,041+- feet, for a total of 1,541+- linear feet down the westerly side of Stard Road to the northern property boundary of land owned by Lorraine D. Fogg, and thence northwest along said property boundary to a depth of 850+- feet. The depth of 850+- feet to then continue in a southwesterly direction, parallel to Stard Road, back to the existing commercial zone."

(Recommended by Planning Board)

**Article 7:** Shall the provisions for voting by official ballot on all issues before the town under RSA 40:13 be limited to election of officers and certain other questions?

**Article 8:** Shall we vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling Fourteen Million Sixty-three Thousand Two Hundred Fifty-seven (\$14,063,257.00) Dollars?

Should this article be defeated, the operating budget shall be Thirteen Million Three Hundred Forty-three Thousand One Hundred Eighty-six (\$13,343,186.00) Dollars, which is the same as last year, with certain adjustments required by previous action of the town or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

**Article 9:** Shall we adopt an exemption for the disabled? The exemption, based on assessed value, for qualified taxpayers shall be \$20,000.00. To qualify, the person must have been a New Hampshire resident for at least 5 years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$15,000.00 or, if married, a combined net income of not more than \$25,000.00; and own net assets not in excess of \$70,000.00 excluding the value of the person's residence.

**Article 10:** Shall we adopt the provisions of RSA 154:1, I (b), relative to the organization of the fire department in that the "fire chief be appointed by the local governing body, or by the town or city manager, if any, with firefighters appointed by the local governing body or manager, upon recommendation of the fire chief." Said appointments to be based on qualifications set by recognized standards. This article to take effect one (1) year from passage. Should this article be voted in the affirmative, the term of office for the fire chief elected in 1998 shall expire in one year.

**Article 11:** To see if the town will vote to authorize the board of selectmen to establish ambulance fees based on insurance reimbursement or Medicare allowance and to establish a waiver system that protects those unable to pay through a reduction in the bill or full abatement. Ambulance service will still be provided in all emergency situations.

**Article 12:** To see if the town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing an ambulance; and to authorize indefinitely the town treasurer to transfer all ambulance fees collected into said fund at the end of each fiscal year.

**Article 13:** To see if the town will vote to adopt the following ordinance to regulate transactions of a pawn shop nature and, upon adoption, add the ordinance to the Code of the Town of Seabrook, formatted and numbered appropriately.

#### PAWNBROKER/PAWN SHOP ORDINANCE

##### PURPOSE.

The intent of this ordinance is to establish a system which will fairly and impartially regulate retail transactions of a pawn shop nature. This regulation shall be for the purpose of identifying stolen property which is unintentionally received by the regulated

And, you are hereby notified to meet in the auditorium of the Seabrook Community Center, U.S. Route 1 (Lafayette Road), on Tuesday, March 10, 1998, at 7:00 o'clock in the forenoon and to cast ballots on the official ballot questions below, until at least 7:00 o'clock in the evening of the same day.

Further, you are hereby notified that the moderator will process the absentee ballots at 1:00 o'clock in the afternoon on Tuesday, March 10, 1998, pursuant to RSA 659-49.

**Article 1:** To elect by non-partisan ballot: one (1) Selectman and Assessor for a term of three (3) years; one (1) Fire Chief for a term of three (3) years; one (1) Moderator for a term of two (2) years; one (1) Supervisor of the Checklist for a term of six (6) years; two (2) members of the Budget Committee for a term of three (3) years; one (1) member of the Budget Committee for a term of one (1) year; one (1) member of the Planning Board for a term of one (1) year; two (2) members of the Planning Board for a term of three (3) years; one (1) Park Commissioner for a term of three (3) years; one (1) Park Commissioner for a term of two (2) years; one (1) Trustee of the Trust Funds for a term of three (3) years; three (3) Constables for a term of one (1) year; and one (1) Trustee of the Library for a term of three (3) years.

**Article 2:** To see if the town will vote to amend Article II of the Zoning Ordinance, as proposed by the Planning Board, as follows:

A) Replace the existing definition of **Accessory Building** with the following: *"A building whose purpose is subordinate to that of the main building. It may be separate from or attached to the main building. For the purpose of this ordinance, a garage or a carport that is attached directly to the main building by a breezeway shall be regarded as an integral part of the main building."*

B) Replace the existing definition of **Building** with the following: *"Any permanent structure occupied or intended to shelter any occupancy. For the purposes of this ordinance, a multi-unit building, with or without firewalls, shall be considered one building."*

C) Add the following to the definition of **Family Apartment**:  
*", the area of said apartment not to exceed 750 square feet."*

**Article 3:** To see if the Town will vote to amend Article VI (Table 2) of the Zoning Ordinance, as proposed by the Planning Board, by adding the following footnote to *Side & Rear* (minimum setbacks):  
*"On corner lots where the side yard abuts a street, the side yard shall be subject to the minimum setback requirements for front yards."*

**Article 4:** To see if the Town will vote to amend the Zoning Ordinance, as proposed by the Planning Board, as follows:

A) Add the following definition to Article II of the Zoning Ordinance: *"Wetlands means an area that is inundated or saturated by surface or ground water at a frequency and duration sufficient to support a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands include, but are not limited to, swamps, marshes, bogs, and similar areas. Wetlands shall be delineated on the basis of hydrophytic vegetation, hydric soils, and wetlands hydrology, in accordance with the techniques outlined in the Corps of Engineers Wetlands Delineation Manual (January 1987)."*

B) Add a new Article XVI to the Seabrook Zoning Ordinance, to be entitled *"Wetlands"*, as set forth below, and re-number subsequent articles accordingly:

*"A - Purpose: to protect the larger expanses of wetlands in Seabrook, to minimize flooding, to protect wildlife habitats, to protect groundwater quality, and to prevent damage to structures and property."*

*"B - Minimum Lot Sizes: Wetlands shall not be utilized to satisfy more than 20% of the minimum lot size requirement specified in Article VI of this ordinance. Tracts of land which were less than five acres as of January 1, 1998 are exempt from this requirement."*

**Article 5:** To see if the Town will vote to amend the Zoning Ordinance, as proposed by the Planning Board, as follows:

A) Add the following definition to Article II:  
**"Telecommunications Facility:** any structure, antenna, tower, or other device which provides commercial mobile wireless services, unlicensed wireless services, cellular phone services, specialized mobile radio communications (SMR), personal communications service (PCS), and common carrier wireless exchange access services."

B) Amend Table 1 in Article V by permitting **Telecommunications Facilities** in Zones 1, 2 & 3, subject to a footnote to read as follows: *"permitted only on land west of I-95 and within 3,500' of the centerline of I-95. These facilities are subject to the provisions of Article XVII".* (Telecommunication facilities are to be prohibited east of I-95, and at locations more than 3,500' west of I-95.)

C) Add a new Article XVII, to be entitled **Telecommunications Facilities**, as set forth below, and change the current Article XVII's designation to Article XVIII:

**A - Signs:** Telecommunication towers shall not contain signs or graphic representation of any kind.

**B - Fall Zone:** A circular fall zone shall be depicted on the site plan. The radius of said zone shall equal the height of the proposed tower. This zone shall not include any buildings or public ways. Easements shall be required if the fall zone extends onto other properties.

**Article 13:** To see if the town will vote to adopt the following ordinance to regulate transactions of a pawn shop nature and, upon adoption, add the ordinance to the Code of the Town of Seabrook, formatted and numbered appropriately.

#### PAWNBROKER/PAWN SHOP ORDINANCE

##### PURPOSE.

The intent of this ordinance is to establish a system which will fairly and impartially regulate retail transactions of a pawn shop nature. This regulation shall be for the purpose of identifying stolen property which is unintentionally received by the regulated

parties and the detection of regulated parties who are intentionally transacting business in stolen property.

This ordinance has been enacted pursuant to the authority granted to the Town of Seabrook by New Hampshire RSA 398.

#### DEFINITIONS.

Any person, firm, partnership and/or corporation whose business includes any transaction wherein there is the lending of money secured by taking possession of any physical property including but not limited to jewelry, watches, clocks, diamonds and/or all precious and semi-precious gemstones, gold, silver, platinum and/or any other precious metals, musical instruments and/or equipment, cameras, wearing apparel, collectibles and or antiques, home and auto stereo equipment, entertainment equipment, televisions, VCRs and all other electronic/battery operated equipment, tools, computers and/or equipment, firearms, vehicles, auto accessories, meters, connections, plates/dishware/glassware, office/store equipment and/or fixtures and any and all other relative equipment/items, with the right to sell such property if it is not redeemed.

A person, firm, partnership and/or corporation shall be deemed to be a pawnbroker whether the transaction takes the form of a loan by the pawnbroker secured by the property OR a sale to the pawnbroker with the right to repurchase within a specified period of time. Pawnbrokers are regulated under NH RSA Chapter 398.

#### EXCLUSIONS.

Mail order transactions and retail stores that exchange or provide cash or credit for returned articles are excluded from this ordinance. Flea markets, second hand dealers and private yard sales are also excluded. See "EXCLUSIONS".

#### LICENSE REQUIRED, APPLICATIONS, FEES, REVOCATION.

1. No person, firm, partnership and/or corporation shall engage in the business of pawnbroker herein defined unless licensed therefor by the Town of Seabrook.

2. Applications for licenses shall be made to the Town Office - Office of the Town Clerk and filed therewith. Applications shall contain the following information:

- a. Name and address of the applicant.
- b. At least two (2) persons of good character who may be used as references for the applicant.
- c. The name of one (1) person, not living at the same address as the applicant, who will always know where to locate the applicant should the applicant move.
- d. Places of residence of the applicant for the past five (5) years.
- e. Location of previous businesses of the applicant over the past five (5) years.
- f. Information regarding whether the applicant has ever been convicted of any crime.

g. If the applicant is a partnership, the information required under a-f shall be furnished for each partner. If the applicant is a limited partnership, the information required in a-f shall be furnished for the general partners and for each limited partner. If the applicant is a corporation, the information shall be furnished for each officer and for each shareholder owning twenty (20%) percent or more of the corporate stock.

Said applications shall be thereafter forwarded to the Chief of Police who shall cause an investigation to be made of the fitness of the applicant to engage in the business of pawnbroker. The Chief of Police shall then report his/her findings to the Board of Selectmen before such license is acted upon and a fee of \$50.00 per annum shall be paid to the Town Clerk.

3. Such license(s) shall expire on December thirty-first (31) of each year unless sooner revoked, and shall not be assigned nor transferred, but it may be revoked at any time by the licensing authority after notice and hearing for just cause.

#### EMPLOYEES.

Employees of a licensed establishment are not required to obtain a license in addition to that of the establishment; however, the proprietor of such licensed establishment will notify the Chief of Police of the name and pertinent information regarding such employees within twenty-four hours of their hire.

#### PURCHASES FROM MINORS.

No pawnbroker shall, directly or indirectly, either purchase or receive in any way of barter or exchange, any of the articles aforesaid, of a minor under the age of eighteen (18) years, knowing or having reason to believe him/her such, except when said minor shall be accompanied by a parent or legal guardian who shall sign the transaction record in person before said pawnbroker.

#### PAWNBROKERS' RECORDS, INSPECTION RESALE OF ARTICLES, CHANGES OR ALTERATIONS.

Every pawnbroker upon the acquisition of any article either by purchase or exchange defined herein, shall prepare duplicate transaction records (blanks for which shall be provided by the Town Clerk), stating the following:

- Full name (last, first, middle initial) of the individual.
- Date of birth and social security number of the individual.
- Accurate and active address of residence of the individual.
- Full notation (month, day, year and time) of the transaction.
- Full, accurate and detailed description of each article purchased or exchanged.
- Full and accurate price paid/loaned shall be made available on dealers's records which shall be made available upon request of police.
- Accurate physical description of individual (photos may be used).

Every pawnbroker shall cause such transaction document to be signed by the seller/transferor in person. Identification shall be obtained via photo ID of the customer in each and every transaction.

A copy of said transaction record shall be delivered to the Seabrook Police Department or to any duly authorized police officer of the Town of Seabrook within twenty-four (24) hours of said transaction. Said dealer shall maintain their copy of the transaction in his possession, which, together with any article therein listed, may be inspected at any and all times by any duly authorized police officer. Confidentiality of information shall be maintained unless it becomes integral to a criminal investigation.

No article so obtained shall be sold or otherwise disposed of or changed or altered in its appearance or otherwise within twelve (12) days or such additional time as may be required by statute after the purchase/control thereof, except with the written consent of the Chief of Police of the Town of Seabrook, but in NO case, within forty-eight (48) hours after said transaction.

Should the Seabrook Police Department or other law enforcement agency determine that an article is required as evidence in a criminal investigation/prosecution, an authorized agent of the Seabrook Police Department shall seize such evidence pursuant to applicable criminal procedure. The pawnbroker shall be issued a receipt for same.

Pursuant to NH RSA 595-A:6, the Seabrook Police Department or an authorized agent thereof shall retain seized articles under the court's discretion as long as necessary to permit the article to be used as evidence. At the conclusion of the court proceedings and/or closure of a criminal investigation, the Seabrook Police Department shall notify, by regular mail to the last known address, the original owner as well as the pawnbroker and any other person who may have a lawful interest in the property; that said property shall be released in thirty (30) calendar days to the original owner if no other claim is placed on the property.

In the case of the original owner being the recipient of returned article(s), the Seabrook Police Department shall request in the case of a prosecution (when applicable) that a court consider restitution in the amount paid for the property by the pawnbroker as a portion of sentencing in the criminal case. In such a circumstance, the property would be returned to the original owner (as noted above) and cash restitution in the amount paid would be requested for the pawnbroker.

#### EXCLUSIONS.

Specifically excluded from the provisions of this ordinance are the following:

- a. Purchases from private residences.
- b. Yard/garage sales.
- c. Flea markets.
- d. Antique dealers.
- e. Estate dissolution dealers.
- f. Wholesalers who do not purchase from the public.
- g. Second hand dealers.

# PENALTIES.

Whosoever violates the provisions of this town ordinance shall be fined no less than twenty-five (\$25.00) dollars and no more than one hundred (\$100.00) dollars for a first violation, with each consecutive violation affording a fine of the original amount plus an additional one hundred (\$100.00) dollars - fines shall not exceed five hundred (\$500.00) dollars. Any and all criminal violations which may pertain to the businesses herein denoted, may be found in NH Revised Statutes Annotated.

**Article 14:** To see if the town will vote to raise and appropriate the sum of Seventy-one Thousand Eight Hundred Two (\$71,802.00) Dollars for the cost of Seabrook's contribution to eighteen (18) human service agencies in the seacoast area. A breakdown of each human service agency's request follows. This will be a non-lapsing account per RSA 32:7, VI and shall not lapse as to each line item until the contributions are completed or in one (1) year. The selectmen recommend Seventy-One Thousand Five Hundred Fifty-two (\$71,552.00) Dollars for this appropriation. The budget committee recommends Seventy-one Thousand Eight Hundred Two (\$71,802.00) Dollars for this appropriation. (Majority vote required).

## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the  
Board of Selectmen and Town Manager  
Town of Seabrook  
Seabrook, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Seabrook as of and for the year ended December 31, 1996. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Seabrook has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Seabrook, as of December 31, 1996, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Seabrook. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated February 14, 1997 on our consideration of the Town of Seabrook's internal control structure and a report dated February 14, 1997 on its compliance with laws and regulations.
